OFFICE OF THE
COMMISSIONER
2013 FEB -4 10 00 AM
FEDERAL ELECTION
COMMISSION

Dominique -

Following up on our telephone conversations and emails regarding the above-referenced matter, this communication responds to the FEC's January 16, 2013 letter, the Factual and Legal Analysis, and the proposed Conciliation Agreement regarding MUR 6716 (National Campaign Fund and James Lacy, in his official capacity as Treasurer).

While we reserve the right to take issue with assertions made in the letter, the Analysis and/or the Proposed Agreement, this email is to explain the nearly defunct status of the National Campaign Fund

As you can see from the National Campaign Fund's FEC Form 3X, dated 1/15/13, for the period ending 12/31/12, the National Campaign Fund has 0 cash on hand. In fact, it only received \$50 in total receipts in 2012.

(See <http://images.nictusa.com/pdf/192/13940038192/13940038192.pdf>.)

I am informed by Mr. Lacy that the National Campaign Fund is essentially defunct and has no ability to raise significant sums of money to pay an FEC fine or to engage in any other activity.

I look forward to hearing from you soon.

- Brad
